

## Always insist on Toyota Genuine Parts.

All Toyota Genuine Parts carry a 12 month/unlimited kilometre Toyota Warranty (conditions apply). Each Toyota Genuine Part is designed and constructed to original manufacturer's specifications for maximum performance, longevity and perfect fit.

**Remember, non-genuine parts can affect your ability to claim under your new vehicle warranty.**

If a non-genuine part is fitted to your Toyota and that part's failure or the incorrect fitment damages your vehicle, then that damage will not be covered by your Toyota Warranty.

Your Toyota Warranty offers protection for your car and provides you with peace of mind. Why would you ever risk it?

# Setting new standards in service.

There's never been a more convenient way to have your car serviced than with Toyota's Express Maintenance. Simply make an

appointment at a certified participating Dealership, drop your Toyota in to the Service Centre on time and 1 hour later you'll be driving away with a fully washed and serviced vehicle.\* And don't think

for a minute that cutting time means cutting corners. Our Express Maintenance team includes a Service Advisor and two fully trained Toyota Technicians using state of the art equipment, procedures and 100% Toyota Genuine Parts. This ensures your car is serviced without any compromise to quality. Rather than the traditional method of dropping your car off in the morning and picking

it up in the evening, Express Maintenance allows you to schedule your appointment for any time of the day that's convenient for you. Having booked it in, you then sit back and relax in our comfortable lounge while you enjoy a cup of coffee and read the paper or catch up on some work. 1 hour later your car is ready to go.\* Express Maintenance is

yet another example of how, at Toyota, we're constantly improving the way we do things and finding better ways to make your life easier. We hope you enjoy it. Please note that Express Maintenance

is available at selected Toyota Dealerships and on selected Toyota vehicles. See your Service Advisor or refer to the Service Price Guide for further details on model applicability and pricing.

\*Express Maintenance is only available on selected vehicles. 1 hour turnaround time is calculated from the time the customer approves the maintenance work at reception to delivery of the serviced vehicle to the customer and is conditional on customer's adherence to the booked appointment time. The Dealership is not liable for delays in vehicle maintenance if the customer does not adhere to their booked appointment time. Priority is given to on-time customers. The vehicle wash included in the 1 hour Express Maintenance service is subject to local water regulations.
